

Scientist Antibody Generation (f/m/d)

ADIVO, now part of **ZOETIS**, is forging a new era for companion animal health. Our proprietary phage display antibody libraries deliver species-specific drugs for a growing market need. We apply our extensive drug discovery and protein engineering know-how to address cancer, chronic inflammatory diseases, and other serious conditions in pets. Together with our partners, we create the best possible therapeutics for our beloved furry friends. For further information, please visit: www.adivo.vet.

Do you want to make a difference in veterinary medicine? To strengthen our team, we are looking for a highly motivated **SCIENTIST** with a passion for animal health.

You are responsible for ...

- The selection of antibodies as therapeutic candidates using our species-specific phage display libraries
- The establishment of suitable high-throughput antibody screening methods
- Supervision of a small team to efficiently meet timelines and milestones for antibody discovery programs
- Extensive literature research and both writing of scientific texts and generation of scientific presentations
- Independent planning, coordination and quality control of lab work
- Communication and scientific exchange with the team, other companies, and external collaboration partners
- Presentation of results in internal project team meetings and in front of external partners

You have ...

- A PhD in the field of life sciences and optimally >2 years of work experience in a relevant field
- A deep understanding of antibody generation, and phage or yeast surface display
- An in-depth expertise and experience in molecular biology, immunology, biochemistry and cell biology
- Strong organization, documentation, and technical writing skills
- Excellent communication skills, both in English and German

We offer ...

- Great working atmosphere in a highly motivated team.
- A diverse range of interesting and multifaceted tasks and challenges.
- Working in a global organization within the environment of a start-up.

You share our passion for pets and want to be an integral part of a growing team in the world leading company for animal health? We are looking forward to receiving your application *via* email career@adivo.vet (pdf format only!). The position is initially for a fixed term of two years.
