

(Senior) Associate Scientist - Protein Science (f/m/d)

ADIVO, now part of **ZOETIS**, is forging a new era for companion animal health. Our proprietary phage display antibody libraries deliver species-specific drugs for a growing market need. We apply our extensive drug discovery and protein engineering know-how to address cancer, chronic inflammatory diseases, and other serious conditions in pets. Together with our partners, we create the best possible therapeutics for our beloved furry friends. For further information, please visit: www.adivo.vet.

Do you want to make a difference in veterinary medicine? To strengthen our team, we are looking for a highly motivated **(SENIOR) ASSOCIATE SCIENTIST** with a passion for animal health.

You are responsible for ...

- Construct cloning for antigen as well as antibody production.
- Protein expression in bacterial (*E. coli*) and mammalian (HEK cells) systems.
- Protein production using affinity purification, ion exchange and size exclusion chromatography.
- QC of produced proteins, including biophysical analysis of antigen-antibody interactions.
- Planning, coordination, and documentation of own lab work.
- Communication and scientific exchange within the team and presentation of results in team meetings.

You have ...

- A master's degree/ diploma in life sciences and optimally > 2 years of work experience in a relevant field
- Deep understanding of immunology, molecular biology, and biochemistry.
- Knowledge in antibody production and protein chemistry preferable.
- Hands-on experience in molecular biology and biochemistry methods such as Western-blot, standard cloning procedures, PCR and ELISA. Experience with Äkta chromatography systems.
- Strong organization and documentation skills in English and German
- Thorough knowledge of standard MS Office applications, Graph Pad Prism and Geneious preferred.
- Excellent communication skills and team player attitude

We offer ...

- Great working atmosphere in a highly motivated team.
- A diverse range of interesting and multifaceted tasks and challenges.
- Working in a global organization within the environment of a start-up.

You share our passion for pets and want to be an integral part of a growing team in the world leading company for animal health? We are looking forward to receiving your application *via* email career@adivo.vet (pdf format only!). The position is initially for a fixed term of two years.
